

Newsletter – March 2025 II

Thank you to all of you who joined us for our STARS concerts this weekend. We hope you enjoyed the concerts as much as we did - thank you for your support! We hope to share some videos of the concerts with you in our next newsletter in May.

We are writing this extra newsletter today in case you didn't make it to our concerts (or if you'd like to hear some pieces again in a different acoustic and context!), because we are singing at BOZAR this Thursday!

BCC @ BOZAR - Thursday 27 March

The Brussels Chamber Choir will be making a special appearance in BOZAR next week! During the next 'Nocturne', the famous concert hall will open its doors to the public for a special evening in which visual arts and music will be combined: "Bozar all over the p(a)lace". Visitors will be able to attend a lecture by artist Berlinde de Bruyckere and visit her powerful exhibition entitled "[Khorós](#)". BCC will be performing in and around the exhibition space and inviting the visitors to reflect on themes such as life and death, light and darkness, suffering and comfort.
